- "Terminal Operation and Static Measurement" by Abacus International, London March 1994.
- "Small Ship Surveying", University of Plymouth Faculty of Technology, Plymouth - January, February & March 1996.
- "Osmosis Damage in GRP Structures & Marine Corrosion", University of Plymouth Faculty of Technology, Plymouth - June 1996.
- "1996 Marine Surveying Forum", London 22nd April 1996.
- First Nautical Seminar, Athens: "Quality in Shipping - Management & Education", May 1997.
- "ISO 9001/2 Theory & Practice" by Quality Maritime Services S.A., Athens April 1998.

Work Experience

- Summer 1971/72/73: I served as an apprentice engineer on board dry cargo vessels and oil tankers.
- In August 1977 I joined "E. Nicolaou & Sons S.A." Shipyards, Perama - Piraeus.
October 1977 to November 1980: Head of Steel Repairs.
- In December 1980 I joined Zulacar Maritime Company, Piraeus as the responsible Superintendent Engineer for four dry cargo vessels of about 10,000 tonnes DWT each.
- In June 1983 I established a personal enterprise as Independent Marine Surveyor conducting surveys on commercial vessels (Dry-Cargo, Tankers, Container Ships, Passenger/Ro-Ro Vessels, Chemical Tankers, Food Carrier Tankers, Tug Boats).
- In February 1992 I established the M.T.C. Company Ltd. (Marine Technical Consulting Company Ltd.) which I am running to date as Managing Director and Principal Surveyor for 30 years.
- I have been assigned by Greek, European and American H & M Underwriters and dealt with more than 3.500 marine accidents/incidents including certain very important and serious cases.

Membership

- The Institute of Marine Engineers, Science & Technology (IMAREST).
- The Society of Naval Architects & Marine Engineers (SNAME).
- Energy Institute.
- American Society for Testing & Materials (ASTM)
- The Nautical Institute.
- American Boat & Yacht Council (ABYC).
- Hellenic Institute of Marine Technology.
- Supporting Member: The London Maritime Arbitrators Association.

Interests

Literature, History, Theatre, Basketball, Tennis.

Tips

April 1975 - July 1977: I did my National Service in the artillery as Second Lieutenant.
